Mental Health at 7T

Speaker

Irene Neuner

Department of Psychiatry, Psychotherapy and Psychosomatics,
University Hospital RWTH Aachen, Aachen, Germany
INM4, Forschungszentrum Jülich, Jülich, Germany

Irene Neuner is a senior clinician scientist in neuroscience. She holds a professorship for Multimodal Imaging in Clinical Neuroscience at the RWTH Aachen and the Forschungszentrum Jülich, Germany. Clinically she serves as the vice chair and vice director of the Department of Psychiatry, Psychotherapy and Psychosomatics at the University Hospital RWTH Aachen Germany. The focus of her and her interdisciplinary international team lies on imaging patients and healthy volunteers at ultra high field strength 7T and in the innovation combination of simultaneous MR-PET-EEG imaging at 3T and translational aspects such as imaging brain connectivity at bedside in the hospital using simultaneous fNIRS-EEG.
