

Vincenzo Levi, MD

Date and place of birth: 24th September 1986, Catania Italy
Address: Via Giovanni Pacini 58, Milan 20131 Italy
Telephone: +39-3281665341 E-mail: vincenzolevi@me.com

Work Experience

From November 2018 – PhD Candidate in Bioengineering at the Politecnico of Milan in collaboration with the Functional Neurosurgery Unit of the Fondazione IRCCS Istituto Neurologico Carlo Besta

September 2017 - July 2018 Neurosurgical resident, Functional Neurosurgery Unit - Fondazione IRCCS Istituto Neurologico Carlo Besta - Milan, Italy (Dr. Angelo Franzini)

February 2017 – September 2017 Visiting Scholar, Functional Neurosurgery and Peripheral Nerve Disorders - UCLA University of California - Los Angeles, USA (Prof. Nader Pouratian)

- During this period, I have been involved in clinical activity, mostly regarding Movement Disorders, Pain and Peripheral Nerve Surgery. I have also attended the weekly meetings of the Brain Mapping and Restoration Lab, getting the opportunity to learn the exploitation of ECoG technology during DBS Surgery aiming at the development of a “smart” Closed-Loop DBS System.

August 2015 – February 2017 Neurosurgical resident, Functional Neurosurgery Unit - Fondazione IRCCS Istituto Neurologico Carlo Besta - Milan, Italy (Dr. Angelo Franzini)

- In this timeframe I have focused my activity on the following:
 - Functional Neurosurgery for the treatment of Parkinson’s Disease, Dystonia, Essential Tremor, Psychiatric Disorders, Pain and drug-resistant Epilepsy (DBS, SCS, VNS, Peripheral Nerve Field Stimulation, MVD).
 - Surgery of Peripheral Nerve Disorders: Entrapment Neuropathies, Adult Brachial Plexus Injuries, Nerve Sheath Tumors.

Education and training

2012-2018 Neurosurgery Residency

Vote: 70/70 cum laude

Thesis: “Neurosurgical management of status dystonicus: a single-center experience”

2005-2011 Medical School

Vote: 110/110 cum laude

Thesis: “Vagus Nerve Stimulation: an adjunctive therapeutic option for the treatment of adult refractory epilepsy” - University of Catania – Catania, Italy

Spoken Languages

Mother tongue: Italian

Other languages (Common European framework of reference for languages)

- ✓ English: C1, advanced proficiency – TOELF Test 104/120 (September 2017)
- ✓ Portuguese: B1, intermediate level
- ✓ French: A1, beginner
